# Power in the Pulpit

April 20-23, 2010

A survey revealed that the majority of people who regularly attend church do so for the preaching. The crying need of the hour is for powerful, practical, passionate preaching.

Doctors, lawyers, and other professionals frequently attend seminars to sharpen their skills, making them more effective in their occupation. Certainly God's preachers need to be further equipped and encouraged for His high and holy calling, proclaiming God's Word.

THE WILDS, in cooperation with Tom Farrell Ministries, presents the fourth Power in the Pulpit, a conference established with a focus on preaching. Every general session and workshop is designed to help you have a stronger and more impacting pulpit ministry.

There will also be special sessions for the ladies.
