Summer 2008

Camp Availability Update as of 06.26.08

To best serve our campers, we are providing the following accommodations update. The first level of closure is for groups. Once five campers from one church are registered, whether submitted individually or together, it is considered a **group**. When the **Closed to new groups** box has been checked , groups not currently registered cannot be accepted for that week. The second level of closure is when the **Boys** or **Girls Closed for** box has been checked indicating any registrations received for the gender will be placed on the waiting list.
